

MINISTRY DEVELOPMENT

Building upon Prayer Development, Mission Development, Spiritual Gifts Development, and Small Groups Development, our Church Ministries & Mission Development Department's fivefold strategy concludes with assisting pastors and their church leaders in creating, growing, and resourcing effective Spirit-led, mission-driven ministries. Additionally, as the Spirit leads churches to develop ministries that best execute the mission in their community context, the sharing of those ministries will invariably spark ministry ideas in the minds of other pastors and church leaders. This will also create opportunities for ministry partnerships among multiple churches in one city or federation, as well as opportunities to learn and grow as ministry best practices are shared.
